

Dear Parents,

When we begin to notice mosquitoes on the playground, we like to protect the children with insect repellent. We need your permission to spray your child with Children's Off when necessary. Please sign and return this permission slip as soon as possible. If Children's Off is not acceptable and you would like us to use another product, please indicate that on the slip.

Thank you,

Miss Julieann

Yes, my child, _____ can be sprayed

No, my child, _____ cannot be sprayed

My child, _____ can be sprayed with the spray I have provided

Parent Signature: _____
