

Dear Parents,

SVA knows life can get hectic and many things get thrown together last minute. In an effort to help parents keep in touch and plan for special occasions we will be putting together a school directory. You can choose to be included or opt out if you're not interested. The directory will include student's name, parents' names, e-mail addresses and phone number(s). In an effort to be eco-friendly, it will be supplied to parents via e-mail so you can choose to save or print it. This is a great way to set up play dates or communicate with other SVA families.

Please complete and return to SVA's green, red or blue mailbox by Thursday, September 2nd.

Sincerely,

St. Vincent's Academy
